Schloss Dyck Classic Days

3 - 5 August 2012

The Trips Memorial event is being held in 2012 for the seventh time. The "RACING LEGENDS" will once again be taking to the circuit, while the "JEWELS IN THE PARK" Concours d'Elegance - defined by FIVA as a top-level "A-EVENT" and taking place in the castle park and near the Orangery - will once again set the benchmark for automotive coachbuilding across the whole of Europe. A vast garden party with picnic, jazz music, and a cavalcade of vehicles through time provides an atmospheric backdrop to welcome visitors into the world of classic cars.

Numerous museum vehicles will be among the Racing Legends taking to the circuit, while a display of vehicles over the years will be arrayed on the lawns in front of the castle - the look and feel of the good old days will truly be celebrated and experienced here to the full.

Save the date & let's go!

Racing Legends

A maximum of 45 vehicles will be allowed to take part, starting in five categories, up to construction year 1961 (also younger, for the monoposto class). Old motor racing models, but also the fast racing cars of the present day, will take to the circuit. Motorcycles and sidecar combinations from the years up to 1940 will also be timed against the clock.

"Racing Legends" is where the historic racers demonstrate what motor racing was all about in those halcyon days. There will also be demonstration runs on the almost three-kilometre-long circuit, ending in a cavalcade of vehicles through time along the historic avenue of maple trees.

Vehicle/2 people incl. catering

420 euros

Style & Charm

Owners of classic vehicles without a FIVA ID-card can be sure of a warm welcome in the "CHARM & STYLE" area. An extensive picnic area in the castle grounds, close to the Orangery peninsula, is where up to 30 selected vehicles, along with their owners and drivers in period dress, will gather to enjoy the Classic Days in an event that has a special charm all of its own.
